

God Of Gods

(Mike Kerry ca 1979)

God of gods, Lord of Lords
Lying in a manger
Left His home in heaven above
For this world of danger.
Could it be it was for me
He left His all and came?
Could it be it was for me
He died a death of shame?

Angels in the heavens sing
Telling out the story
Of the baby born tonight -
He's the King of Glory
But it was a maiden's song
That gently soothed his ear
Mary singing to her son
"Sleep a while, my dear"

Jesus Christ lived a life
Full of love's endeavour
And 'though He died, He rose again
Now to be my Saviour
I won't say I understand
All He's done for me
I only know that I was blind
But now at last I see!
