

HALLELUJAH!

Hallelujah, Jesus is the King
Hallelujah, Ruler of everything
Hallelujah, the Lamb is on the throne
Hallelujah, caring for His own
One day every knee will bow
But we're the ones who worship now
Hallelujah, Give Him the praise and give Him the glory now!

Hallelujah, My sins are washed away
Hallelujah, I will not have to pay
Hallelujah, For the bad things I have done
Hallelujah, The victory is won
Victory over sin and grave
Jesus, only You can save
Hallelujah, Give Him the praise and give Him the glory now!

Hallelujah, Father, Spirit, Son
Hallelujah, Devil's on the run
Hallelujah, Judgement day is near
Hallelujah, sinner, have no fear
Keep on going, run the race
Soon we'll see Him face to face
Hallelujah, Give Him the praise and give Him the glory now!
